## WHO WE ARE

---

Platinum Marine Services stands as a shining testament to successful entrepreneurship, established in 2016 by the accomplished marine industry professional, Mr. H. Evren USAKLI. Today, he continues to serve as the Managing Partner alongside Mr. Cagatay TANYOLAC and Mr. Ceki YENIFILIZ. Together, these three visionary leaders bring a wealth of experience spanning the past three decades, contributing significantly to the success of the Turkish Shipping Industry.

**In 2022, we proudly established our subsidiary, Platinum Marine Services B.V., strategically situated in Rotterdam, Netherlands. This key expansion is a testament to our commitment to delivering exceptional services in the heart of Europe, particularly in the ARA region (Amsterdam, Rotterdam and Antwerp). With a foundation of sustained momentum built over the years, we are well-equipped to provide outstanding service in this vital maritime hub.**

Completed jobs (5300)

Ships (700)

Countries Served (25)

With a rich history spanning over 8 years since our establishment in 2016, Platinum MS has successfully completed 5300 jobs across 700 different vessels. Our commitment to excellence has extended to 25 different countries, reflecting our global presence and unwavering dedication to providing top-notch maritime services.

## PROJECTS AND TECHNICAL SERVICES

As of today, our company boasts a dedicated team of 65 permanent staff members, predominantly composed of seasoned ex-shipyard professionals with decades of successful experience across various disciplines. Our staff members possess extensive expertise in our field, ensuring that we deliver luxury and comfort to our clients as a 'one-call-solution provider. "We seamlessly manage tasks by drawing from a refined pool of premium qualified manpower and suppliers, all under strict supervision and collaborative efforts."

Whether your needs arise in the dynamic landscape of Turkish ports or anywhere across the globe, our riding squads are equipped to handle any repair task with precision. No repair is beyond our capabilities. Our extensive network boasts longstanding collaborations with experienced solution partners, ensuring that our clients receive top-notch services tailored to their unique requirements. At Platinum Marine Services, we redefine excellence in maritime repairs, delivering seamless solutions that transcend geographical boundaries.

## Repair

As a premier marine engineering company, we excel in delivering top-notch services encompassing welding, fabrication, machining, and repair work. Our team of seasoned experts brings a wealth of experience in managing a diverse array of marine systems, including but not limited to propulsion, hydraulic, and electrical systems. At the forefront of innovation and precision, we ensure the highest quality in every aspect of our work, setting new standards in the maritime engineering industry.

## Maintenance

Our team comprises highly skilled technicians and engineers with the expertise required to optimize the performance of your engines and equipment. Trust us to deliver the highest quality care, ensuring your engines and equipment operate at their best. With our commitment to excellence, you can rely on us to keep your machinery running smoothly for years to come.

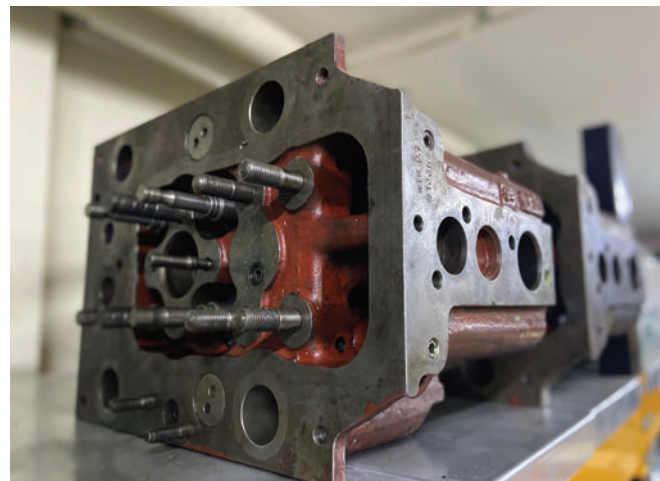

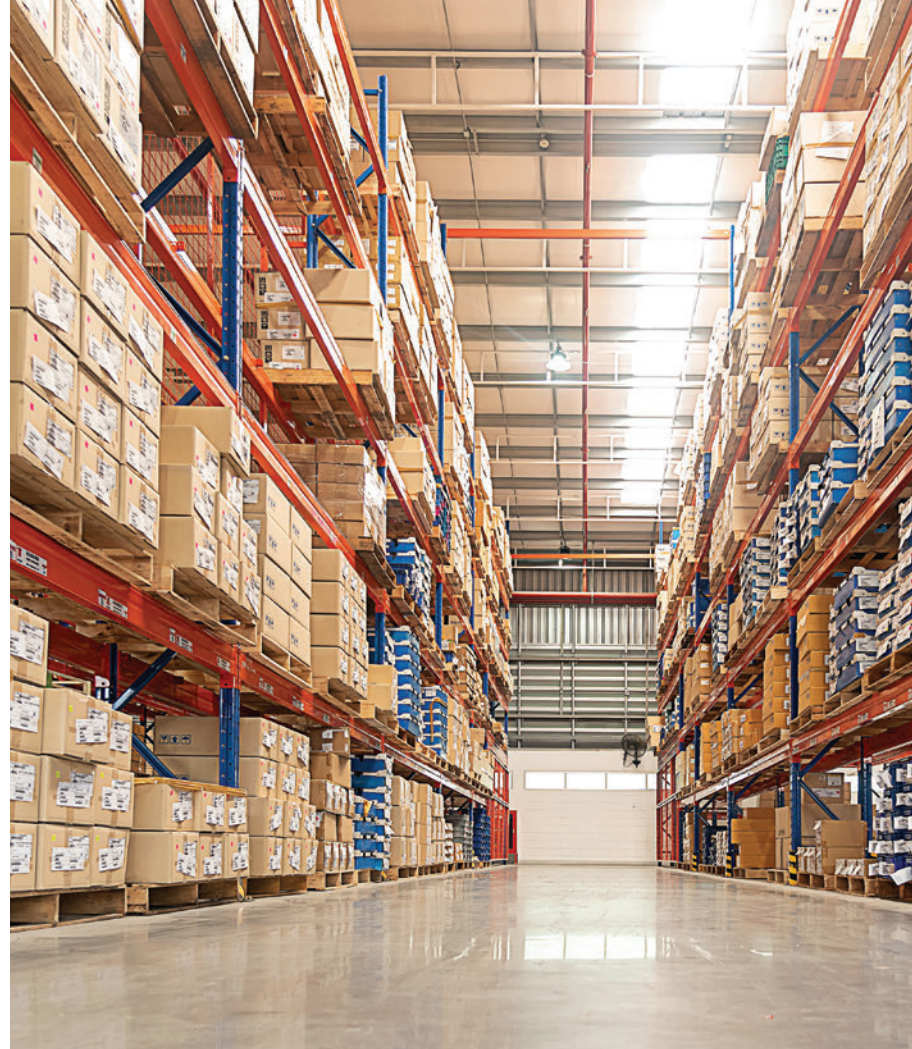

## Retrofit Projects

Delivering professional retrofit solutions is at the core of our expertise. Specializing in high-quality retrofit solutions, we bring years of industry experience to tailor our services to meet the unique needs and requirements of our clients. Your satisfaction is our priority, and we are dedicated to providing top-tier solutions that stand the test of time.

## SPARE PARTS MACHINERY SUPPLY

---

Dedicated to our enduring relationships with solution partners and licensed manufacturers, we uphold a commitment to deliver brand new, authentic OEM parts. Our offerings extend to 100% interchangeable, high-quality copy spares. Additionally, we provide comprehensive options, offering both new and complete second-hand spare parts for a variety of machinery and equipment. Ensuring global reach, we facilitate seamless delivery to the Owner's local agent, leveraging the best freight options available. Your satisfaction with our solutions is our foremost priority.

We can supply high-quality Main and Auxiliary Engine spare parts with minimum delivery time for our clients.
